Re: KALW(FM), San Francisco, CA
MB Docket No. 04-191

Dear Secretary:

I am writing in support of KALW. I listen to the station almost every day and have for a number of years.

The San Francisco region is rich in radio stations but KALW provides a unique voice in the community with a combination of entertainment, news, education, social commentary with diverse viewpoints and local community topics that cannot be replaced by any other currently operating stations including other non-profit public stations.

The loss of this "voice" will be to the detriment of the community and will be felt deeply by this individual.

I earnestly request that KALW's operating license be renewed.

Respectfully,
